Christmas Break: 12/19/2020 - 1/4/2021

1/5/2021: School Resumes

Digital Equity Survey

This critical Digital Equity Data will enable education leaders to:

- Understand the impact that home digital access has on learning outcomes
- Target available resources to students in need of access
- Determine the most effective connectivity solutions
- Assess options for state and federal funding to close the digital access (homework) gap
- Meet emerging Federal CARES Act reporting requirements

In short, Digital Equity Data collection is an effort to target resources and support to ensure home internet access for Nebraska students. We are working with the Nebraska Department of Education to figure out what needs there are for our families and what needs to be done for us to make sure your student(s) have the means to access online schoolwork.

Please fill out this form once for EACH school age child in your home. ** This will also be sent digitally, so please complete only once per student-either digitally (preferred) or paper copy. **The DEADLINE: 12/1/2020 will be for both digital and paper copies back to the school.** Thank you for your assistance with this for our school and state.

Lunches – Update

On Friday, Oct. 9, 2020, USDA extended flexibilities in its Summer Food Service Program (SFSP) and Seamless Summer Option (SSO) through June 30, 2021, to allow schools and other sites to continue to provide meals at no cost to all children. The department previously extended free meals through December 2020, based on funding available at the time, but was now able to extend throughout the entire 2020-2021 school year thanks to language in the continuing resolution signed into law by President Trump on Oct. 1, 2020.

Health Screenings

Student Health Screenings are continuing this week, due to time factors and availability of equipment. Our St. John’s nurses will be performing the screenings along with re-checks at a later day, TBD. Thank you!

Plentiful Harvest Campaign

This year, our St. John’s School Jet Ambassadors are organizing the “Plentiful Harvest Campaign” to share blessings with our community in the form of a Thanksgiving meal. **If you know of someone who would appreciate a Thanksgiving meal please contact the school principal: tony-arens@cdolinc.net with the contact information (name, address, and phone number) and we will deliver the meal.**

If you wish to help with this initiative, we are accepting donations in form of Hy-Vee gift cards or checks for SCRIP to help purchase the bigger items such as the turkey and/or ham. Please bring any donation to the school office. [Check the school or church website for additional information.](#)

Candle Fundraiser

A HUGE THANK YOU to all that supported the candle fundraiser this year!!! We could not do it without you, and St. John’s is able to reap the rewards of your time and effort! Awesome!! I am placing the order this week, and will have more info to come along with the estimated time of candle arrival, so stayed tuned to the Parent Note. I just wanted to give a BIG SHOUT OUT...THANKS!

Uniform Store

We will continue to use appointments set up by email with either Jamie or Katy; see email addresses below. If you know your sizes/items needed, you can email your order, send payment to the office, and we will then send home your order with your child. Depending on our availability, it may be a few days before email orders are ready.

If you are returning items through the office, please tag them with your name so that we make sure we receive them. Thank you all for your patience and support during these first couple of weeks.
