School Photos

We are using the Barksdale Group this year, with family pricing with Pius X. We will send more information as we receive it for families.

Junior High Athletics:

[Physicals](#)

- 7th graders: required for the school year.
- 8th graders: required IF participating in a St. John's Sports.
- 6th graders: optional, not required.
- Sports Physicals must be completed **on or after May 1** for the upcoming school year.
- Physical form must be completed and sent to us **BEFORE** your student's first practice.

7th Grade Volleyball Coaches

- Reach out to Mr. O about coaching.
- More information about the upcoming volleyball season soon.

Email Mr. O, at travis-ohnoutka@cdolinc.net for any questions about physicals, coaching, or anything sports related. Thanks!

Volunteering 2026-2027

As you volunteer for school or church activities, please record all your time on a list to send to the office upon completion of your 20 hours (per family) required. This emailed list can be sent to St.John's-Office@cdolinc.net and we will record your volunteer hours. We will keep you posted if new opportunities arise as we progress through the year. Our Home & School Association will also have many volunteer opportunities.

Stewardship Volunteer Form for HSA: Get a jump start on finding Volunteer Hours by completing the [Stewardship Volunteer Form](#) with this link, for the 2026-27 school year. Parents who complete the Volunteer Form by August 28th will earn a NU day for their child(ren) on Monday, August 31st.

HSA Ice Cream Social

The St. John's HSA will be selling "*Proud to be a Jet*" yard signs (\$10) and Goodcents Fundraiser Cards (\$5) at the Back to School ice cream social. Please bring cash if you'd like to purchase. All proceeds support the activities organized or sponsored by the St. John's Home and School Association throughout the school year. If you have any questions, please email Jen Platt at jen.gloystein@gmail.com.

Illnesses/Absences

Sending an email is the easiest way to notify us of absences to St.John's-Office@cdolinc.net. Please provide the reason they are absent and symptoms of illness. A written note sent in will work also.

Symptoms that require absence from school are: **FEVER over 100.4 and students must be fever-free without fever-reducing medications for a full 24 hours before return to school, vomiting and/or diarrhea and must be symptom-free for a full 24 hours before return to school.**

If/when your student has **appointments** and is absent from school, please let us know via email for our absence reports. This alleviates a phone call to you to find out where they are. When you bring your student to school later than 8am, you bring your students into the school to sign them in or out.

Title I Support Services

This year our school will receive support through a special program called **Title I**. This program helps schools like ours provide extra learning support for students, especially in **reading and math**. Here's how Title I helps our school:

Extra Learning Help

Some students get small-group or one-on-one time with a teacher to practice important skills.

More Learning Tools

We use Title I funds to get books, technology, and hands-on materials to make learning fun and effective.

Support for Teachers

Teachers will receive extra training to learn new ways to help every student succeed.

We believe every child can learn and grow with the right support—and **Title I is one way we make that happen!** If you have questions or want to learn more about how Title I helps your child, feel free to contact me at hannahosantowski@cdolinc.net

Thank you for being a partner in your child's learning!

Hannah Osantowski

Resource teacher/ coordinator

St. John the Apostle School

Student Handbook

The student handbook is posted to the school website, www.stjohnsjets.com. Updates will be posted there.

Paperless School

St. John's is a paperless school. This gives you easy access to information regarding your students and the school

24/7. We have the school website, PowerSchool Parent Portal, and emailed weekly parent notes.

PowerSchool Parent Portal

PowerSchool (PS) helps parents to access student grades and see assignments, teacher communications, class resources, etc. Please use the link at the top of the parent note for PowerSchool.

School Forms – Prescription Medications

If your child has specific medical needs, and you have not contacted us yet, please make us aware of those ASAP. Any prescription medications MUST have forms from the office completed by physician and/or student/parents and returned. Please send any medications needed to the office, in the **ORIGINAL** containers (prescription bottles with labels included), with the prescription label on the container. Please call the school office if you have questions.

****NEW** this year, all medication forms have changed and must be completed annually.

School SCRIP Program 2026-2027

SCRIP is a gift card program we have that all purchases help you ‘give back’ to St. John’s without spending extra money! You make your purchase (in house or online) and the percentage the business gives back to the church. We use RaiseRight Fundraising.

BackPack SCRIP means you send your order and payment with your student in the morning, we fill your order during the day, and the order is returned to you for delivery back home. We will also provide a list of SCRIP options that are local and what normally is in stock for you. SCRIP waivers will be coming soon for completion and to allow your BackPack SCRIP use. There are more than 750 brands to use online, some are actual gift cards, and some have e-cards. The ecards come directly to the app you downloaded to your phone to use, and the church still gets the percentage back. www.raiseright.com to find out more information.

If you are not using the backpack SCRIP program, you will need to go to the church office to get your order filled or after weekend masses. You may also contact Nancy Wolf at nancyfitzwolf@aol.com for questions or special orders.

CIPA (Children’s Internet Protection Act)

The Diocese of Lincoln Schools cooperates fully with the Children’s Internet Protection Act. Since July 1, 2002, when the diocese began participating in the e-rate program, we have enforced the following strategies to keep students safe on the Internet.

- 1. Appropriate Use Agreements (on enrollment/re-enrollment online forms)
- 2. Adult supervision of all use of the Internet by students.
- 3. iSafe Internet Safety curriculum, approved by the local administrator.
- 4. Forcepoint Internet filtering
