Parent Teacher Conference Sign-Up Links

Please see the attached PDF for the sign-up links for parent teacher conferences. If the day/time does not work for your schedule, please email the classroom teacher to schedule a time that works for everyone. We would like to see every parent/guardian at conferences in two weeks! This is a great opportunity to get to know your children's teacher and continue to foster the partnership and relationship.

- Elementary and Specials teachers will be in their classrooms
- Jr. High teachers will all be in the gym. Please make sure and sign-up for EACH Jr. High teacher timeslot. Each teacher's sign-up link is labeled with their main content area, plus the additional content and grade.
- Mrs. Osantowski (*Resource*) and Ms. Long's (*Student Support Specialist*) links will be available after they block out their required conferences.
- Mr. Arens is available for walk-ins. If you would like to schedule a dedicated time, please email him.

Important Handbook Policy Review - Cell Phones and Smart Watches

Please review the Student Handbook Policy on Phones and Smart Watches. Moving into next week, if a student is caught not turning in their phone, or using their smart watch for something other than telling time, it will be taken to the office. The parent will be responsible for picking it up from the school office. This is clearly outlined in the handbook. After giving students grace and learning opportunities, we still continue to see students not turning in phones, and using their smart watch. We will no longer give warnings. Also, per handbook policy, we reserve the right to search student's backpack, with a witness, if we believe a phone has not been turned in. Please take time this weekend to review this policy with your student, and ensure they are abiding by the handbook policy. We appreciate your help and support to ensure the safety and well-being of our students and school.

(This includes before school care, waiting outside in the morning, after school care, waiting outside in the afternoon, singles line, multiples line, walkers by crosswalk - ANYWHERE on campus during school extended hours - 6:30 am - 5:45 pm)

Parents and Guardians

You can take advantage of our Text Messaging Service

Our school utilizes the SchoolMessenger system to deliver text messages, straight to your mobile phone with important information about events, school closings, safety alerts and more.

You can participate in this free service* just by sending a text message of "Y" or "Yes" to our school's short code number.

For **US-BASED** numbers: **67587**

You can also opt out of these messages at any time by simply replying to one of our messages with "Stop".

We recommend saving this short code and Caller ID to the contacts on your phone. This will help prevent any 3rd party call blocking systems from interfering with your receipt of important messages sent by the school or district.

SchoolMessenger is compliant with the Student Privacy Pledge[™], so you can rest assured that your information is safe and will never be given or sold to anyone.

For **US-BASED** numbers:

Opt-In from your mobile phone now!

Just send "Y" or "Yes" to 67587

(For US-based numbers).

Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you've ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

*Terms and Conditions – Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See www.schoolmessenger.com/tm for more info.
