

ST. JOHN THE APOSTLE CATHOLIC SCHOOL

STUDENT/FAMILY HANDBOOK

"Taking Flight as Followers of Christ"

This handbook is intended to serve as a guide for working towards a better realization of the philosophy, goals, and objectives of St. John's School, by providing the students and parents with a common understanding of the spirit and general regulations of the school. SCHOOL OVERVIEW

PRAYER

Heavenly Father, help me to grasp the realization that you are calling me now for the purpose of education. You are calling me to use and increase the potential of the great gift you have given me, my mind. Father, I know you have a special place in life for me. Help me to grow spiritually, socially, and physically with a special emphasis on education that I may learn about Your creation and bring peace to those around me. Grant this through Christ our Lord. Amen.

MISSION STATEMENT

St. John's School is a Christ-centered learning community that prepares each student to be a successful life-long learner. We provide our students opportunities that promote the development of their unique gifts and talents, empowering each child to become a responsible, respectful, and caring citizen who lives the faith. The school assists the parents in their role as the main educators of their children in offering a complete education, both secular and religious. St. John's is governed by the policies and principles of the Catholic Diocese of Lincoln, approved by the Nebraska Department of Education, and overseen by the parish pastor as Chief Administrative Officer, and by the school principal. St. John's is a preschool through 8th grade school.

GOALS

To accomplish the Mission Statement, our goals and objectives include:

1. To pass on the Catholic faith through the Mass, Sacraments, and by being Christ-like role models.
2. To develop a positive family environment where students, parents, faculty, and staff feel accepted, respected, and valued.
3. To develop communication and cooperation between administration, faculty, students, and parents.
4. To establish an atmosphere with Christ-like expectations of conduct and high academic standards.
5. To encourage the children to be aware of and develop the goodness and talents God has given them.
6. To offer the best curriculum utilizing the benefits of past techniques while incorporating new ideas after careful consideration and research to form a program in which each teacher is comfortable (staying within curriculum guidelines).

VISITORS AND SAFETY

For the safety of our school, we require that all visitors to St. John's School, including parents, report to the school office before going anywhere in the building. All exterior doors are locked during the school day. Please enter via the buzzer at the northeast entrance off Vine Street.

VOLUNTEERS

Volunteers are very important in the educational programs at St. John's. Volunteer services are always needed in the areas of the library, lunchroom, recess, classroom aides and homeroom parents. St. John's volunteer requirements are as follows prior to volunteering: Background check completion (online), Safe Environment Online Training, Diocesan Volunteer form completion, and possibly driving training should you volunteer to assist in driving students. These forms and training are a safety measure that allows the staff to know that you have permission to be in the school at designated times on designated days. Volunteers are also required to come to the office to sign in and sign out daily. Volunteers will be given a volunteer name tag to wear. Specifics on these forms can be found by contacting the school office.

FINANCIAL

TUITION: See updated annual Enrollment Intent Form

REGISTRATION FEE: Paid with signed Enrollment Intent Form, fee is per family

DIOCESAN TECHNOLOGY FEE: Paid with tuition, fee is per student

HOME AND SCHOOL ASSOCIATION FEE: Paid with tuition, fee is per family

Parents are responsible for the amount due for the entire school year and will be asked to pay this amount even if the child does not finish the year out. The school fees/tuition payments will start July 1st and must be paid in full by April 15th. Report cards will be held for any students who have unpaid tuition or any other unpaid fees. Certain cases will require administrative approval.

STATEMENT OF PARTNERSHIP

The Catholic Church and this Catholic school recognize parents as the primary educators of their children. The education of students at our school is a partnership between parents and the school. If, in the opinion of the administration, the partnership is irretrievably broken, the school reserves the right to require the parent to withdraw his or her child. This is a very serious decision that is not made lightly.

HOME AND SCHOOL ASSOCIATION (HSA)

The purpose of the Home and School Association (HSA) is to promote better understanding, cooperation, and service between the school and the home. The Association provides input into the various programs and activities of the school. We encourage all parents to be involved in the Association activities and consider volunteering as a board member.

ADMISSION

According to State Law, to begin Kindergarten the child must be five years old before July 31st. The school shall admit a child who will reach the age of five years on or after August 1 of such school year when the parent or guardian provides an affidavit stating that (i) the child attended kindergarten in another jurisdiction in the current school year, (ii) the family anticipates relocation to another jurisdiction that would allow admission within the current year, or (iii) the child is capable of carrying the work of kindergarten which can be demonstrated through a recognized assessment procedure approved by the board. Each school board shall, for purposes of this subdivision, approve and make available a recognized assessment procedure for determining if a child is capable of carrying the work of kindergarten. The school board shall update approved procedures as

the board deems appropriate. A physical examination as prescribed by the State Department of Education is required of all pupils before entrance into school. In addition, prior to entering school every pupil shall be immunized against measles, mumps, rubella, poliomyelitis, diphtheria, pertussis, tetanus, hepatitis, and varicella. For any exceptions to this rule a waiver must be signed by a medical doctor. A certified copy of the child's birth certificate along with a copy of their original baptism certificate must also be on file. If a family plans to move out of our school system, the office should be informed as soon as possible. A parent-signed form authorizing the transfer of records (received from the new school) must be completed before a permanent file can be sent to another school. Application for enrollment for all students will be held prior to the opening of school.

TRANSFERS

Parents of students transferring from St. John's School to other schools will need to sign a release of records and an information form at the school they will be attending. All records sent from St. John's School will be sent by mail or fax to the receiving school and will not be given to parents to carry out. Parents of students transferring into St. John's School will need to sign a release of records and an information form at the prior school at the time of registration. Transfers into St. John's will be on a trial basis.

LITURGICAL CELEBRATIONS

- All students, grades 1 through 8 are required to attend 8:15 Mass daily.
- Formal Religion classes are held **everyday** in grades Kindergarten through 8th Grade.
- Boys are trained for service at the altar beginning in the fourth grade.
- Support of the Missions is promoted and encouraged.

The sacraments of Reconciliation and Holy Eucharist will be administered to students in the second grade and above. Ordinarily, students receive these sacraments for the first time in the spring of their second-grade year. The sacrament of Confirmation is administered once a year in the spring to the fifth-grade students and older. Devotions to our Blessed Mother such as May Crowning and other devotions including the Rosary, Prayer Services, and visits to the Blessed Sacrament occur during the appropriate season.

MASS

St. John's students and teachers attend Holy Mass daily. Our participation in daily Mass is to be one of prayerful participation, self-discipline, and reverence. At Holy Mass we participate in the reenactment of Calvary and in the salvation of our souls. Through our reverent participation we give glory to God.

Students are required to show respect in the church by:

- observe silence – before, during, and after Mass
- genuflecting when entering/leaving a pew or approaching the altar
- handling Missalettes and kneelers appropriately (please keep feet on floor and off the kneelers)
- kneeling correctly and upright, when appropriate
- remain facing toward the altar throughout the entirety of the Mass
- being courteous and respectful to parishioners attending Mass

St. John's students will follow these rules during Mass:

- respond to prayers
- follow along (using books when appropriate)
- sing during Mass (holding songbook at chest level, not resting on pew)
- keep restroom visits reserved for **emergencies only** – teacher discretion.

Children are to sit with their class during Mass. For special occasions, parents may ask for permission to sit with a student's class. Please contact your child's homeroom teacher.

Kindergarten Mass Attendance

- Quarter 1 – 1 day a week (Wednesday) beginning second midterm
- Quarter 2 – 2 days a week (Wednesday and Friday)
- Quarter 3 – 3 days a week (Monday, Wednesday, Friday)
- Quarter 4 – First midterm, 4 days a week (M/T/W/F), second midterm, daily

ATTENDANCE

It is important to a student's success in school that the habit of regular and punctual attendance is practiced. Therefore, regular attendance is required to obtain maximum results in learning and is the responsibility of the parent/guardian. Regular attendance is required by State Law. (Neb. Rev. State. 79-201) In compliance with the State Department of Education Rules and Regulations regarding length of a school day and year, St. John's School will be in session and will accumulate at least 1032 instructional hours. The time period provided for students to eat lunch shall not count towards the 1032 hours required.

Once a student arrives on the school grounds, the student may not leave the grounds until the end of the school day, unless permission has been granted by the school administration.

- If a student is late for school, he/she must report to the school office prior to going to the classroom. Any/all student absences require a written note or email to the school office with stated reason of absence.
- If a student is absent, parents must contact the school by 9:00 a.m. by phone OR email and indicate the nature of the absence. If you know ahead of time that your child will be absent, he or she will need to email or bring a note from a parent to the school office at least one day ahead of time.
- Absences for vacations, sporting events and other social activities are considered unexcused. The administration will determine whether an absence is excused or unexcused. This is handled on a case-by-case basis.
- If a parent finds it necessary to withdraw a student before dismissal, the parent or another adult identified in advance by the parent must report to the school office and sign them out before taking the student.

CONSEQUENCES FOR VIOLATING ATTENDANCE POLICY

St. John's school will only accept 5 **unexcused** tardies and/or absences each semester before a student will become responsible for their actions. (See Sequence of Action chart below.) For each tardy and/or absence after the fifth, the student will receive a detention slip for parent signature and return form the next day. Detentions will be served the next day and will last from 3:15 p.m. – 3:45 p.m. in the Homework Help room. After the tenth time the student is tardy and/or absent from school within that semester, it will result in an In-School Suspension and detention. The In-School Suspension will be for three school days. After the fifteenth tardy and/or absence during that semester the student will be suspended from school for a period of a week (5 school days). If the problem continues, we will proceed with expulsion.

Unexcused Tardies and Absences - Sequence of Action Chart

- 1 - 5 Warning
- 6 - 10 Detention for each
- 11 In-School Suspension for 3 days + Detention
- 16 One Week Suspension
- 17 + Expulsion

SCHOOL CLOSINGS AND WEATHER

COLD WEATHER POLICY

Cold weather closing will be determined by the **Diocesan Superintendent/CAO**. When **LPS is in session, or not**, cancellation or early dismissal will be announced by the Diocesan Superintendent of Schools/CAO and send a message to families opted into School Messenger (see below).

School Messenger System:

Opt-In Code: Optin or Yes or Subscribe – TEXT one of these to: 67587

- The Diocesan Education Office will alert Lincoln-area schools and school families of school closings and other important information via School Messenger
- School closing information will also be communicated through the following media outlets:

<https://www.klkntb.com/weather/school-closings/>

<https://www.1011now.com/weather/closings/>

<https://www.kfornow.com/alerts/?tab=closings>

<https://klin.com/closings/>

St. John's School adheres to the school closing policies **Parents may come to school to pick up their child at any time during the day when weather is threatening, or a watch is issued. If a tornado warning is issued, you may take cover with your child in the school, but children will not be released until the warning has been lifted. When possible, please contact the office in advance of your arrival.

OUTDOOR WEATHER POLICY

- > Actual or 'feels like' temperature: **15° - 90°**
 - Students will wait outside before school and go outside for recess
- > Actual or 'feels like' temperature: **10° - 14° or 91° - 99°**
 - Students will wait outside before school and split recess – ½ inside / ½ outside (limited activity)
- > Actual or 'feels like' temperature: **Below 10°**

Time spent outside is an important part of the school day. Children should be exposed to fresh air and exercise. These are the guidelines for school recess, outdoor activities, and physical education classes.

CLASSROOM RULES

No student is allowed to disrupt in class or anywhere else in school, including the school bus and the school grounds. When they do, they are asked to think about what they are doing and compare their actions to the rules or standards of wherever they are. If disruptive or inappropriate behavior continues, the student may be required to complete a “think sheet”, given a demerit (6-8), or be sent to the office through the office referral process. St. John’s School uses the Boys Town Education Model to proactively teach positive behaviors and social skills.

Boys Town Education Model

The Boys Town Education Model is a school-based intervention strategy that focuses on managing behavior, building relationships, and teaching social skills. It emphasizes preventive and proactive practices rather than reactive responses to deal with student behavior. It gives classroom teachers, administrators, and support staff the tools to implement key Model components:

- A school-wide social skills curriculum
- An administrative intervention process
- A proactive classroom behavior management approach

These components are part of a complete system-wide approach to foster respectful and caring staff- student interactions by fundamentally changing the way schools address discipline and deal with student behavior.

Office Referral: If a certain behavior continues to be an issue or a student needs to leave the classroom for extreme misbehavior, he or she will be sent to the office. Parents will be contacted. Chronic offenders will be removed from the classroom through in-school suspension, out-of-school suspension, or expulsion at the Pastor and Principal’s discretion. The following (not limited to) are considered extreme misbehaviors:

- Abusive language
- Fighting/Physical aggression
- Overt defiance/disrespect
- Harassment/Bullying (directly or indirectly)
- Inappropriate display of affection
- Lying/Cheating
- Skipping class

ANTI-BULLYING POLICY

St. John the Apostle School has formulated this policy with the following purposes:

1. Promoting strong Christian development in all of our students and encouraging them to treat each other as images of God.
2. Building positive student relationships in order to provide an environment that is physically safe and emotionally secure for all students.
3. Raising awareness in the school and homes that bullying is an unacceptable behavior and will not be tolerated at St. John the Apostle School.
4. Establishing procedures that are consistent throughout the school for handling bullying behaviors that happen at school.

Statement Prohibiting Bullying

We recognize that bullying and intimidation have a negative effect on the social, emotional, spiritual, and academic development of our students. Every student has the right to an education and to be safe in and around their school. It is the policy of St. John the Apostle School that any form of bullying behavior, whether in the classroom, on school property or at school-sponsored events, is unacceptable. Students who are determined to have engaged in such behavior are subject to disciplinary action. Depending on the intensity, frequency, and duration of any offenses, a violation of this policy will result in serious consequences, including, but not limited to, formal dismissal from St. John the Apostle.

ANTI-BULLYING GUIDELINES

Definition

Bullying is an intentional, conscious, hurtful act of aggressive behavior repeated over time by an individual or group. Bullying may take on one of four forms: physical, verbal, indirect, or internet/cyber bullying. This includes but is not limited to:

1. **Physical bullying** - hitting, kicking, pushing, tripping, biting, choking, scratching, spitting, taking belongings, destruction of property, unreasonable interference, unwelcomed touching, bumping into, and throwing things at another person.
2. **Verbal bullying** - insults, name calling, threatening statements, taunting, offensive remarks, sexual harassment, picking on or making fun of others, demeaning jokes/stories, spreading rumors, ridiculing, humiliating, intimidating, berating, degrading, and belittling.
3. **Indirect bullying** - intentionally excluding others, spreading gossip and rumors, making faces, making obscene gestures, and malicious notes.
4. **Internet/Cyber Bullying** - online social aggression: online fighting, harassment, denigration (gossip, rumors), impersonation, sharing embarrassing secrets, posting embarrassing pictures, trickery, exclusion, cyber stalking, cyber threats. This can be done via texting, emailing, or social websites (Facebook, Snapchat, YouTube, etc.)

Procedures

Students

Students who are being bullied or witness bullying against another student should report the incident in one of the following ways:

1. Talk to their teacher or a trusted staff member at the school
2. Talk to a parent or other trusted adult
3. Complete the Incident Report and turn it in to their homeroom teacher

Students who witness bullying should intervene if they are able and immediately seek adult assistance. Students who are being bullied have the right to protect themselves from physical harm. Any student who retaliates against the person making the report or any student who makes a false report will be subject to the same disciplinary action as explained in the Consequences section below.

Parents

Parents who feel their child is being bullied or who receive reports of bullying toward another child should report the incident in one of the following ways:

1. Talk to their child's homeroom teacher
2. Talk to the principal
3. Complete the Incident Report and turn it in to the homeroom teacher

Teacher/Staff

Teachers or staff witnessing or being made aware of bullying should:

1. Intervene or take appropriate action to correct the behavior
2. If deemed necessary, complete the Incident Report and attach any related communications
3. Send the completed Behavior Incident Report to the Principal where it is placed in the student's file

The principal will follow up with the teachers of the involved students and administer the appropriate consequences.

Consequences/Standard Discipline Policy

1. Boys Town Education Model – office referral
2. Parent Notification
3. Detention – 30 minutes after school
4. In-School Suspension
5. Out-of-School Suspension
6. Expulsion

Depending on the severity of the incident, administrators will use their discretion to warrant more severe consequences even on the first occurrence.

The Incident Report form can be found on the last page of this handbook.

WEAPONS, CONTROLLED SUBSTANCES, AND SEARCHES

No student may have in his/her possession on school property or in proximity of the school, at any time, any kind of weapon, explosive, or other potentially dangerous items. No student may have in his/her possession on school property at any time illegal controlled substances such as: illegal drugs, alcoholic beverages, tobacco, etc. Teachers and administrators have the right to search desks, lockers, and personal belongings at any time for a sufficient reason. This should ordinarily be conducted with another adult witness. Any items found which are inconsistent with the Catholic goals of the school may be removed along with disciplinary action.

DISCIPLINE

DISCIPLINE POLICY

1. We at St. John the Apostle School are committed to providing a “Christ-centered” learning environment. We encourage our students to see Christ in each person. We believe all students in our school are to be respected, valued, and kept safe.
2. Students are expected to always use appropriate behavior. Students are responsible for the choices they make regarding their behavior. When a student uses inappropriate behavior, teacher or staff involvement will be provided to help maintain safety and order in the school. The teacher or staff member will encourage the student to identify the problem and to develop a plan to learn more appropriate behaviors for school. The goal of discipline is to help a student become more self-disciplined and make better choices regarding their behaviors.
3. Students may be referred to the office when the safety or order of the school is compromised. This will include infractions of school rules and violence. We have found the Boys Town Education Model to be an effective way for reducing student disruptions while enhancing their ability to resolve their problems by teaching them how to self-manage responsibility. This program also brings consistency among the teaching staff and the different grade levels.

OUR DISCIPLINE PHILOSOPHY

We believe that all students are responsible for their own actions and must be taught to respect the rights of others. This means they must learn how to think of ways to get what they want while, at the time, respecting the rights of others in the school. Teachers have a right to teach, and students have a right to learn in a safe environment. No student has the right be disruptive at school, regardless of where they are, especially if they are preventing other students from learning or are threatening the safety and the rights of others.

SUSPENSION AND EXPULSION

The decision to suspend a student lies with the principal. The principal will consult with the pastor and/or teacher(s) before suspending a student.

In-School Suspension:

When the administration imposes an in-school suspension, the student is responsible for all class work during that time. The student will work independently in the front office and will not attend any classes, including specials classes and recess.

Out-Of-School Suspension:

When the administration imposes an out-of-school suspension, the student will receive no credit for class work during that time. The student is still expected to complete and turn in the completed work.

Expulsion:

Expulsion is a very serious matter. It will be resorted to only when all other means of discipline have proven ineffectual, and the student's behavior gravely compromises the welfare and mission of the school. Actions and attitudes that violate the Christian character of our school and may lead to suspension or expulsion include (but not limited to) irreverence for God and holy persons, places, or things, disrespect for life, property, and the rights of others, repeated disrespect for authority, repeated disrespect for school policy, truancy, fighting, cheating, or stealing and possession of weapons or illegal substances.

STUDENT EVALUATION / HOMEWORK

PARENT-TEACHER CONFERENCES

Parent Teacher conferences are held in the first and second semesters. It is important that parents attend these conferences. Additional conferences may be scheduled if the parent and/or the teacher feel the need for the conference. Parents are encouraged to call/e-mail the teachers to arrange for additional conferences.

PROGRESS REPORTS AND REPORT CARDS

- Report card access will be emailed to each parent/guardian in grades K-8 on a quarterly basis. Report cards are available in the PowerSchool Parent Portal. These reports are designed to inform parents of the student's progress.
- Parents may access their student's grades and assignments at any time on PowerSchool. The school office will provide you with your student's access codes and further directions for gaining access.

STUDENT HOMEWORK

In addition to promoting good study habits, homework provides an opportunity for parents to be involved in the education process of their children. Homework will be assigned on a regular basis and will vary with the age of the student and his/her ability. St. John the Apostle School recognizes the Nebraska Department of Education standard homework guidelines and recommendations from Diocesan Education Office.

- Primary grades (K-2) 15 - 30 minutes
- Intermediate grades (3-5) 45 - 60 minutes
- Upper-Level grades (6-8) 60 - 90 minutes

If there are any questions about homework your child is bringing home, PLEASE contact the teacher. The teacher will be able to give you an insight into why your child has homework and the amount he/she has. If a child is having difficulty completing homework or spending too much time on homework, parents should notify the teacher and discuss possible alternatives and/or solutions. For more information regarding homework and the rationale, please click on the following link from the U.S. Department of Education ([Click Here - Data & Research](#))

Homework must be completed only by the student; turning in work completed by another person will result in a zero for the assignment. If a student is caught cheating on homework or in-class work, it may result in a zero for the assignment. Further disciplinary action may be taken.

ABSENTEE HOMEWORK PROCEDURE

When a student is absent from school due to an illness, they have a corresponding number of days to make up work. The student must request all missed assignments from his/her teacher. Each teacher handles the completion of make-up work differently. It is very important that the student discusses the class procedure with the teacher(s) for making up the work missed. Assignments due to absences for trips or other reasons must be approved and agreed upon by the teacher prior to leaving. Parents may request work missed for their child for that day by phone or email. Assignments must be requested by 10:30 a.m. to receive assignments during the same day. After that time, teachers may not be able to have assignments prepared. Homework can be sent home with a sibling, friend or picked up in the office at the end of the school day. Homework must be picked up before 4:00pm.

LATE HOMEWORK PROCEDURE

Kindergarten through 5th Grade: Teachers will work with students to help them complete their assignments in a timely manner. Teachers may keep students in during recess or after school with parent permission. Late work not related to absences will be handled in the following manner:

- One day late 10% deduction of the grade
- Two days late an additional 10% deduction
- Three days late 0% for the assignment

HOMEWORK ASSIGNMENT POLICY FOR 6th – 8th GRADE STUDENTS

- If a student comes to a class (subject) with an assignment missing or incomplete, the student will receive 10% deducted for 1 day, 20% for 2 days, 30% for 3 days and finally no credit, but still must be turned in.
- The student will be sent to the office to call and notify the parents that the assignment is late, and they will be expected to **stay after school until 3:45 p.m. that day to finish the work in Homework Help.**
 - The complete *Homework Help Policy* is sent out to parents at the beginning of each school year.
- The student will turn in the work completed by 3:45 p.m. that day and will be graded on the entire assignment.
- **Long-term projects such as book reports, class reports, papers, etc.:** If these projects are not completed and turned in on the assigned due date, teacher will take same action as daily assignment, and will grade student on the percentage of the assignment that is complete. Teachers will use their own discretion on long-term projects.
- An online parent portal is available any time to view current grades.

RETAKE POLICY

Every effort is made to allow students the opportunity to demonstrate their understanding of concepts and skills to achieve mastery.

- A grade of 77% or higher indicates mastery of a concept; therefore, students may only redo/retake assignments for which mastery was not achieved. Students will have one day to redo and hand in.
 - Students may earn half credit on redo/retake daily assignments.
 - Students may not be allowed to retake tests, quizzes, or long-term projects.
 - Subject-area teachers may use their discretion to allow this occasionally
- It is important to note that the redo/retake policy is not intended to be used as a regular practice.
- Alternate assignments may be required at the teacher's discretion since some scenarios are impossible to replicate. For example: computer lab assignments, experiments, guest speakers, projects, formal essay, etc.
- Because the goal is for each student to master the material, teachers will consider extenuating circumstances.

Any assignments that are plagiarized will receive a reduced grade and will be made to redo the assignment.

ACADEMIC SUPPORT PLAN (Grades 6th – 8th)

A student will be placed on an Academic Support Plan at Midterm if one or both of the following occur:

- ✓ The student has four (4) or more missing assignments.
- ✓ The student has an overall grade of 76% (D+) or below in any subject.

Process:

- Parents will be notified via email, by the subject teacher(s), that the student will be placed on an Academic Support Plan in their content area in order to receive additional support.
- A slip will be sent home with the student, requiring a parent signature and returned to the subject teacher.
- The student will be required to attend ten (10) sessions each lasting from 3:15-3:45, with the subject-area teacher. During this time the student will be retaught the material and/or correct assignments as needed.
- If a student has an Academic Support Plan for multiple subjects, the subject teachers will coordinate a schedule to accommodate support in all the subject areas needed. (Students are required to attend a minimum of ten (10) sessions total – NOT per subject)
- An Academic Support Plan takes priority over any after school Club or activity.
- If a student is sent to Homework Help or is absent from school during the Academic Support Plan it will be paused, continuing the next day until ten sessions have been completed.
- After ten sessions, if assignments have been completed and/or grades have improved (overall grade of 77% or above), the student will be released from their Academic Support Plan. Parents will be notified, via email, by the subject-area teacher.
- After ten sessions, if assignments have not been completed and/or grades have not improved, the Academic Support Plan will be extended until this occurs. Parents will be notified, via email, of the extension, and again when the student is released.

Please let us know if it is an emergency - otherwise a note will be placed in the teacher's mailbox.

BACKPACK POLICY

One of our main goals as a school is to provide a rich academic environment where students actively participate and contribute to their learning. This is better accomplished when students are in the classroom ready and prepared for class. In an effort to facilitate learning with minimized distractions, Jr. High students will be permitted to carry a backpack during the school day. This is intended to keep students from leaving the learning environment if they are not prepared for class. The school Administration reserves the right to check backpacks, when necessary. St. John's Facilities Coordinator conducts and submits checks every six months. Asbestos management plans have been written for the school and may be reviewed by interested parties at the school office during regular business hours. Asbestos has been found through testing or is assumed to be in the following material: pipe insulation and floor tile. This material is in good condition and poses no health concern for our students, faculty, and staff. By following the school's asbestos management plan, we will continue to protect the health of our children and comply with federal and state asbestos regulations. The asbestos program is monitored by the Diocese of Lincoln, or you may contact the school office for additional information.

Students are instructed where to go in case of severe weather. Lock down drills are also conducted twice during the school year. In case of a school evacuation, parents may pick-up their children at Meadow Lane School – 7200 Vine Street.

The number-one step that you can take to prepare for a school emergency is to provide accurate emergency contact information to your child's school and notify the school if your information changes.

STUDENT DROP OFF/ PICK UP PROCEDURE

Our goal is to make sure that children and parents are safe during drop-off and pick-up times from school. Please see the map on the following page. This procedure creates a safe traffic flow for students and parents and moves traffic off Vine Street quickly to alleviate congestion and to reduce the possibility of accidents. Drop off/pick up areas are to the east and south side of the school. Students will enter through correct doors. The north main entrance is not to be used for normal drop-off or pick-up, rather only for late arrivals, early departures, and Preschool. Do not exit back onto Vine Street during the drop off/pick up times.
