

St. John the Apostle School

Home and School Association

The Home and School Association, referred to as HSA, is an organization much like a PTA. Its purpose is to help bridge the gap between school and home by promoting better communication and cooperation between St. John's School and parents. The HSA sponsors a few EASY fundraisers to support school improvements for the benefit of our children like The Day of Amazingness, selling of candles, and many other events.

HSA helps to plan and organize school events throughout the year, working to create community and fellowship with our existing and new families, which creates a great opportunity to get your required volunteer hours in. Some examples of our events are:

- Ice Cream Social
- Halloween, Christmas, and Valentine classroom parties
- Family Fun Nights
- Trunk or Treat
- Sweetheart Dance
- Mother-Son Event
- Bingo Night

Every St. John's School family is a member of the Home and School Association. It is awesome to see what our money and hard work can provide for our school and children. In the past, to name a few, we have provided:

- New school windows
- Classroom desks and chairs
- Playground equipment
- Security cameras
- School camera
- New school exterior doors
- Student and Staff theme t-shirts
