JETS General Information

School Year:

2026-2027

Student Handbook: <https://stjohnsjets.com/about/forms/policies/413-st-johns-student-family-handbook/file>

Please check the school website or Canvas LMS for the most current version of our student handbook for reference to many questions about our school. *You have the option to print the handbook on PowerSchool Enrollment Express while enrolling.*

School/Parent Communication:

We provide weekly communication by email, via the office Parent Note, principal emails, and through Canvas LMS. The school website also contains useful information. Another tool for parents to access student's grades (Grades K-8) is through **PowerSchool Parent Portal**, which works in conjunction with our PowerSchool school information system.

School Messenger is another tool we use for announcements such as snow days or urgent information. **Subscribe by texting 'YES', 'Opt-In' or 'Subscribe' to 67587.** *You must subscribe in order to receive school closing information from the Diocesan Education Office.*

Stewardship Expectations:

Our stewardship is key to the success of our school and it encompasses our time, talent, and treasure. Our families are required to share their time and talents with the school through 20 hours of service. There are many opportunities to fulfill this requirement: member of the HSA, coaching, helping in the lunchroom, classroom, book fair, and fundraisers, just to name a few. There is a buyout plan for those who cannot volunteer due to work schedules or other circumstances. \$20.00/hour = **\$400.00 per family**

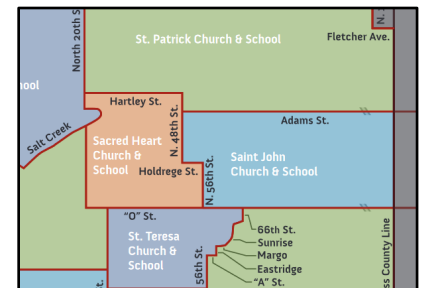

We continue to require the purchase of **\$300.00 a month worth of SCRIP**. Again, there is a buy-out option for families who choose not to participate: **\$150.00 (family per year)**. This is an estimate of the profits made from using SCRIP per year.

Extended School Care:

We offer an extended school care program to our school families (K-8). Before school care is 6:30 am – 7:45 am and after school care is 3:15 pm – 5:45 pm. Please complete the registration form to sign up for this service. The registration form can be found in the *Tuition Announcement Packet* and is available on the school website.

School/Parish Boundary Map:

Please see the map outlining the boundaries of St. John's Parish and School. You must live within our boundaries to attend school at St. John's unless you have been granted permission from the Pastor of the parish area you reside in. An out-of-parish form must be completed, signed by the Pastor, and turned into the school office each year.

First Day of School:

The first day of school is set for Tuesday, August 18, 2026, with a noon dismissal. The 2026-2027 School Calendar is available on the school website. All dates are subject to change. ***The school's weekly Parent Note always has the most updated calendar information.***

PINK Envelope Stewardship:

Pink Envelope is the portion of tuition covered by our Parish. The estimated cost of education per student is **\$6,200**. Student tuition is **\$2,800**. The difference of **\$3,400 is covered by the Parish**. We have continued to work hard at keeping the cost of tuition low, and this is made possible by the generous giving of our St. John's parishioners. If you are able to, **please consider a donation to the Pink Envelope fund**. ANY amount is greatly appreciated and needed to keep our tuition affordable.
