SAINT JOHN'S MEET THE HSA

Lisa Barnes

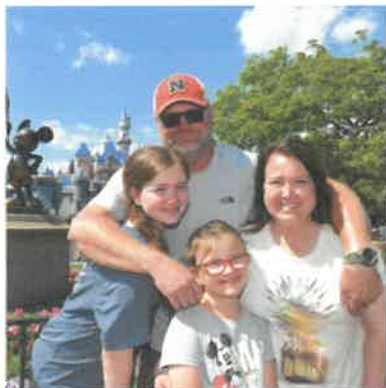

I'm excited to join St. John's HSA this year as co-coordinator for restaurant nights! I have four amazing young men in my life: Matthew, 23, Aaron, 21, Zachary, 16 (sophomore at Pius), and Michael, 13 (7th grader). All four of them call ST John's home. A little bit about me is that I currently work at Yankee Hill Brick (look us up on Facebook; we're pretty cool). I love spending time with my kids, fishing, singing randomly at work, and dueling Michael with lightsabers. My least favorite things are getting up early in the morning, yard work, and bullies. I'm looking forward to the school year filled with amazingness and awesomeness! Go Jets!

SAINT JOHN'S MEET THE HSA

Angela Otte

This is my 4th year on the HSA(CO-President). I have a son named Chase who will be in 3rd grade & a daughter named Robyn who will be in 1st grade. I am an Accounting Specialist at EducationQuest. I love St. John's because everyone is so friendly & it feels like a small family. I first joined the HSA to get the 20 hours.

Shortly after coming to meetings & volunteering, I got to know so many wonderful parents (and priests) and love helping out with the school, so now the 20 hours really don't matter. I like to do jazzercise, run & attend my kids activities, & go camping.

Mark Otte

This is my first year on the HSA as the Treasurer. I am married to Angie Otte. I am a Civil and Structural Engineer at R. O. Youker.

I like watching Nascar, Husker football, beer brewing, woodworking, camping and cooking.
